Mon, 19 Oct 2015 23:58:00 GMT - The rear portion of the ship is called the after end or stern. When moving stern first, the vessel is said to be moving astern. The front portion of the ship is called the fore end, whilst the extreme forward end is called the bow. When moving bow first, the vessel is said to be moving ahead. Fore and aft are generally used for directional purposes.
