Sun, 24 Jun 2018 03:04:00 GMT - This practical, systematic approach to financial freedom is divided into three sections. The first one takes us back to our most formative experiences with money. We do this in order to break free of financial worries and take control of our feelings about money. Once we've made this connection, we're then able to change both our attitudes and our actions and start to create a life that is financially free.
