Tue, 11 Sep 2018 09:51:00 GMT - ON COMBAT looks at the critical importance of the debriefing, when warriors gather after the battle to share what happened, critique, learn from each other and, for some, begin to heal from the horror.

On Combat: The Psychology and Physiology of Deadly ... -

- On Combat looks at what happens to the human body under the stresses of deadly battle – the impact on the nervous system, heart, breathing, visual and auditory perception, memory - then discusses new research findings as to what measures warriors can take to prevent such debilitations so they can stay in the fight, survive, and win. A brief, but insightful look at history shows the evolution ...
