Tue, 09 Oct 2018 16:34:00 GMT - Parenting or child rearing is the process of promoting and supporting the physical, emotional, social, and intellectual development of a child from infancy to adulthood. Parenting refers to the intricacies of raising a child and not exclusively to the biological relationship. The most common caretaker in parenting is the biological parent(s) of the child in question, although others may be an ...

Fri, 12 Oct 2018 02:26:00 GMT - Libraries and bookstores are great options for building a home library. Another great resource for books is a book swap. Consider organizing one for your neighborhood or block. It can be a simple afternoon undertaking, or with more time and effort, a fun event that will become an annual tradition! Below are some suggestions for organizing a book swap for kids.
