INTRODUCTION Not every generation is alike, nor should they be treated by marketers in the same way.

Marketing to the Generations - AABRI Home Page -

- Viral marketing or viral advertising is a business strategy that uses existing social networks to promote a product. Its name refers to how consumers spread information about a product with other people in their social networks, much in the same way that a virus spreads from one person to another. It can be delivered by word of mouth or enhanced by the network effects of the Internet and ...
