the parallel process pdf -

Wed, 04 Jul 2018 13:00:00 GMT - Parallel Process in Supervision Marie B. Sumerel Introduction The concept of parallel process has its origin in the psychoanalytic concepts of transference and countertransference. The transference occurs when the counselor rec-creates the presenting problem and emotions of the therapeutic relationship within the supervisory relationship.

Parallel Process in Supervision -

Sun, 08 Jul 2018 15:26:00 GMT - Parallel process has been defined as what happens when two or more systems " whether these consist of individuals, groups, or organizations " have significant relationships with one another, they tend to develop similar affects, cognition, and behaviors, which are defined as parallel processes ".
